# Winchester District Art Trail

More than 40 art studios and galleries to visit free of charge across the Winchester district

Saturday 17th- Bank Holiday Monday 26th August 2024

### Meet our local makers and artists

Hampshire Open Studios is an annual art trail where the visiting public can meet artists in their studios and galleries. In the week leading up to Bank Holiday Monday in August, over 300 studios, galleries, artists and art groups open their doors to exhibit original artwork to the visiting public.

This Winchester District Art Trail has been designed to help you find your way around venues in the city centre and across the district, including its market towns and villages.

This project is funded by the UK government through the UK Shared Prosperity Fund.
